Break

- A Could human trafficking be happening in our area?
- B How can we raise awareness of this criminal activity?
- C Any volunteers to help in the parish (clubs, groups, etc.), to link with APT?
- D Would you support TORL, Turn Off the Red Light? This means campaigning for legislation to criminalise the buyers of sex and decriminalise the sellers. (www.turnofftheredlight.org)

Specific Action for awareness raising in the area:

Appoint members/leaders of group to take action.

Identify groups in the area which could be encouraged to get involved.

Liturgy events: October 18th is E.U. anti-human trafficking day, a good opportunity to incorporate this issue into the liturgy, e.g. with prayers of the faithful.
